

This concert venue is designed to be an easily accessible, family-friendly environment. With a new state of the art stage, shows will be more spectacular than ever. New tiered hospitality and GA upgrade areas will provide superior visibility and views. The improved VIP seating area will provide a better show experience with close proximity to bars and food service.

An enlarged food court will offer ample seating with a view of the stage and digital screens. Restroom facilities will be in many areas making a significant improvement to the Porta Johns of the past.

Ample parking in lots adjacent to the venue will provide quick and immediate access to the venue. These lots will be designed to hold guests' vehicles, eliminating the need to find parking elsewhere. The venue is easy to get to from I-95, I-295, and I-64, on Staples Mill Rd, Hungary Rd. and Parham Rd.

Due to the increased size of the venue, properly spacing guests and food and dining services will not be an issue.

We look forward to providing one of the best live concert experiences in Virginia and throughout the Mid-Atlantic.

After Hours Concerts is presented by EventMakers-USA Inc.
